**Eligible Members
to receive
Dividend and
Surplus Shares
payouts!**

**Stride Credit Union pays \$870,000 to members
from profits**

Budz announced that eligible members will get a boost to their account next week. “Stride Credit Union once again had a strong year in 2023, thanks to our members. As a result of this, Stride will be paying out \$700,000 in Dividend payouts and \$170,000 in Surplus Share payouts. Eligible members may receive up to \$250 from Dividend Payouts the week of April 15, and Personal members who turned 71 as of December 31, 2023 will receive the balance of their surplus shares.”

Budz notes an overall increase in members joining Stride Credit Union in 2023 and looks to continue that growth in 2024 and beyond.

Since Stride’s inception in 2017, there has been \$2,399,000 in Dividends paid out to eligible members. Dividends payouts are calculated according to the amount of business a member has with Stride.

For further information on Dividends, Surplus Shares or in becoming a member, please contact us.
