## Stay up to date with Stride!

Between RRSPs, Canadian Ag Day, connecting with our Business community, adding security features and more, Stride Credit Union is a busy place. Our monthly newsletter is a great place to stay up to date, learn about new offerings and be informed about various events - including the Masters Curling Championships being held at the Portage Curling Club. For some entertainment, check out our attempt at office curling [here](#).

### Have you made your RRSP contribution yet?

Invest by February 29, 2024 to reap the tax benefits for 2023 and add to your retirement savings at the same time. Our team is here to help get you on the right path. Email [contactus@stridecu.ca](mailto:contactus@stridecu.ca) or call 877-228-2636 to set up an appointment and start saving.

## February is Black History Month!

The 2024 theme for Black History Month is: “Black Excellence: A Heritage to Celebrate; a Future to Build”. This theme celebrates the rich past and present contributions and accomplishments of Black people in Canada, while aspiring to embrace new opportunities for the future. There are activities happening all month in celebration of Black History Month.

## Have you used our online chat tool yet?

As an added resource and tool for members, we have incorporated an online chat function into our website. Look for the “Chat with Us” button along the right hand side of our website, click the button and start chatting! It is another way for us to provide an exceptional service experience and help out with various questions or issues!

## Coming Soon...

At Stride Credit Union, we take the security and protection of our members and their personal information very seriously. We have introduced 2 step verification, annual password changes, and now, we are adding the Masking Personal Information enhancement to the line up of security features. Starting in early March, with our Masking Personal Information enhancement, the first 12 digits of a 16-digit card

makes it impractical for fraudsters to reverse engineer them. This greatly reduces the risk of identity theft incidents that could result from one or more accounts becoming compromised.

As well, March is Fraud Prevention month so watch our social media for tips on how to protect yourself and your information from fraud.

## Vote online in Stride’s upcoming elections.

Starting February 23, 2024, place your vote online in Stride Credit Union’s Board of Directors election. All eligible members are invited, and encouraged, to place your vote. Please watch our social media and website for more information on the candidates and to find the link for online voting.

## Ensure every member of your family is insured...even the furry ones.

Stride Credit Union wants to make sure you are prepared for all types of unplanned expenses, even those related to the family pet. We are pleased to offer pet insurance through Pets Plus Us to look out for the four legged family members.

## March is just around the corner...

The Stride team is gearing up for a new initiative in March and we can't wait to tell you about it!

Did you know the Central Plains Cancer Services provides much needed support, resources and services to the same communities that have Stride Credit Union branches, members and employees? It makes for an easy partnership as we know CPCS is making a positive difference in our communities. Watch our website for more info starting March 1st!
