# March is Fraud Awareness Month.

The team at Stride Credit Union wants you to be aware of various scams so that you know what to watch for and are able to protect your information. A new scam to watch for is a Mobile Deposit Scam.

How does a mobile deposit scam work?

A fraudster may provide a victim with an opportunity to earn quick money and will either email a cheque image or even request online banking access to deposit the cheque themselves. In turn, the victim is instructed to withdrawal the funds and return a certain amount via other payment sources. The cheque will then later be returned fraudulent, and the victim will be out the funds.

Types of Mobile Deposit Scams?

- Job/Income Scam.
- Catfishing (fake online dating profile)/Romance Scams.
- Fake Contest, for example, lottery win.

### How to protect yourself

- Don't give out private information.
- Monitor your accounts regularly.
- If it sounds too good to be true, then it probably is.

# Protect yourself, your information, and your money.

It's the CPCS Radiothon! Stride will be hosting Central Plains Cancer Services and Golden West Radio this week! You can find them in Neepawa March 14 from 8am-12pm, Gladstone March 14 from 1pm-5pm and MacGregor March 15 from 8am-12pm. Additionally, all Stride branches will be accepting donations on behalf of CPCS until the end of business on March 15, 2024. Come into any branch today or tomorrow, make a donation and grab a cookie and coffee. Let's make a difference together.

Help improve the quality of life for cancer patients, survivors and their families

From March 4-15, Stride Credit Union will be accepting donations for Central Plains Cancer Services at all of our branches.

  Let's make a difference together.

We recently celebrated International Women's Day and spotlighted Stride member, Randi Wright. Randi has broken barriers in a traditionally male-dominated industry and also works on her family farm. We are happy to celebrate the achievements of our members and feel that they should be shared throughout the year.
